Beyond the desk.

27 Furnival Street is located a short two-minute walk from Chancery Lane tube station. Sited at the intersection of Holborn, Farringdon and Fleet Street, the vicinity is famous for hosting major legal institutions — such as the Royal Courts of Justice and the Inns of Court — and a high concentration of top-tier law firms and professional services businesses.

And for somewhere with a more relaxed vibe, fear not — it is not all 'corporate suit'. Soak in the sights and aromas of the Leather Lane food market, home to a variety of international cuisines, or keep yourself entertained by the local nightlife at venues such as Baranis, Lucky Voice or The Top-Secret Comedy Club.
